CORMAN IMPACT HONORS

The Corman IMPACT Honors - Honoree's Announced!

Thank you to all our members who submitted their programs to this year's Corman IMPACT Honors. We had many impressive submissions which made our decision very challenging. **We are excited to announce this year's honorees:**

Grady Memorial Hospital, GA

Chronic Care Clinic

The Chronic Care Clinic is an integrated, collaborative initiative created to address the holistic needs of patients with over-utilization of emergency department services.

Montefiore Medical Center, NY

Arts and Integrative Medicine (AIM)

AIM offers arts and integrative interventions including music, dance, photography, drawing, poetry, yoga, gardening and technology to create positive change in the care of patients, their families and hospital staff.

Three Wishes Project

The Three Wishes Project (3WP) was developed to bring peace to a patient's final days and to comfort families through implementing wishes that are important and meaningful.

Please join us in virtually celebrating this year's honorees on September 29. All Schwartz Center members are invited to join this panel discussion with Schwartz Center Chief Medical Officer, Dr. Beth Lown and spokespeople from each of three honoree organizations. Optional virtual networking will follow the event where attendees will meet each spokesperson and can ask questions.

Panel Discussion: 4:00-4:45 PM ET

Optional Networking and Q&A: 4:45-5:45 PM ET

Members Only Improv Session - Register Now!

If you're participating in this year's [Virtual Compassion in Action Healthcare Conference](#), we encourage you to **register for the Members Only Improv Session on August 26 from 7- 8:30 PM ET**. This workshop is highly interactive with the goal of laughing and exploring the basics of improvisational comedy. No comedy experience necessary. Please come ready to participate, with your camera on. All attendees will engage in a series of short form improv games that connect to larger improv principals. This will be followed by a conversation with participants making connections between improv and your work. **First come, first served and space is limited, so please register today if you are interested in participating!**

Please note – the Member Learning Center and Member Community Website are currently separate sites requiring separate logins.

Dr. Lorna Breene Healthcare Provider Protection Act Passed

The Dr. Lorna Breen Healthcare Provider Protection Act just recently passed the U.S. Senate. It is the first comprehensive legislation of its kind to allocate specific funds towards grants for training health profession students, residents, or healthcare professionals in evidence-informed strategies to reduce and prevent suicide, burnout, mental health conditions, and substance use disorders. The Schwartz Center is a founding collaborator on the All In Campaign, along with the Dr. Lorna Breen Heroes' Foundation and #FirstRespondersFirst. Our [programs and trainings](#) align with this important work of supporting the health and mental well-being of healthcare workers.
