For valued Schwartz Center members

New Schwartz Rounds® Training and Education Schedule

The Schwartz Center membership team now offers several regularly scheduled monthly virtual training sessions for your Schwartz Rounds team. Each session gives you an opportunity to learn new or refresh skills and engage with Schwartz Center staff and like-minded colleagues in the member community. **Training sessions include Virtual Schwartz Rounds, Unit-Based Schwartz Rounds, Trauma-Informed Facilitation Skills and Office Hours.**

We encourage you to [explore the page](#) and take advantage of our robust training opportunities. If you'd like guidance on which training would be most beneficial for you or your team, please contact your Member Experience Advisor.

Schwartz Center Advancing Equity Survey

Among the core values that have always grounded our work at the Schwartz Center are equality and inclusion. Recently, we've turned our attention anew to the foundational importance of giving voice to unheard experiences, particularly those of racism in healthcare and our healthcare organizations. And many of you have turned to us for guidance about how to address such experiences and the need for race equity at your Schwartz Rounds.

We have initiated a conversation here at the Schwartz Center about how we can do this most effectively, but we need your input. Your feedback is invaluable so that we may best support you in advancing equity within your healthcare organization.

Please [complete this four-question survey](#) to ensure your voice is heard on this very important topic. **Included in the survey, you will find an invitation to speak with us in confidence about how we can best support you. If you'd like to participate, please let us know via the survey by August 12.**

Schwartz Rounds Equity Impact Assessment Tool (EIAT)

We are delighted to offer our [Schwartz Rounds Equity Impact Assessment Tool \(EIAT\)](#) as an internal planning tool to help your Schwartz Rounds Planning Committee convene a conversation about the best ways to center experiences related to racism and racial trauma in the context of your Schwartz Rounds program, and to include key stakeholders in that conversation.

This is one resource we hope will help you assess how and whether your Schwartz Rounds program (and other organizational initiatives) can help shape your approach to addressing topics related to diversity, equity, and inclusion.

Please note that this tool is for your internal use and should not be returned to the Schwartz Center. If you have any questions, please feel free to contact your Member Experience Advisor.

Honoring a Nation of Compassionate Caregivers

In an effort to recognize the extraordinary compassion shown by front-line professional caregivers during the COVID-19 pandemic, the Schwartz Center is collecting stories, videos, photos, audio recordings and more, to tell the story of our nation of compassionate caregivers.

Working in partnership with [#FirstRespondersFirst](#), an initiative of [Harvard T.H. Chan School of Public Health](#), [Thrive Global](#), and the [CAA Foundation](#), we invite you to [share your experience](#) as a professional healthcare provider, colleague or recipient of their acts of compassion. These submissions will be carefully curated to comprehensively tell this extraordinary story

of the nation's caregivers who are making a profound difference through their unmatched dedication to compassionate healthcare throughout the COVID-19 pandemic and beyond.

Deadline to submit content is Monday, August 31, 2020.

Resources for Healthcare Professionals Coping with COVID

Coping with the COVID-19 Pandemic Resources for Healthcare Professionals

Months into this unprecedented battle against the COVID-19 pandemic, we continue to be inspired by caregivers everywhere who courageously provide care to their patients and families while maintaining their unparalleled dedication to compassionate, collaborative care.

In response to the high need from our member community we added benefits to address **what our members need now**. In addition to all of our benefits, we created our [COVID-19 resource page](#) including a special COVID-19 support webinar series, and created [guidance for Virtual Schwartz Rounds](#) in partnership with national traumatic stress experts. We encourage you to share these resources with all staff at your organization.

After 25 years of supporting, educating and training professional caregivers, we are uniquely positioned and honored to support you during this time. We thank you for all you do and please reach out if we can provide additional support.
